CHIEF GUEST "MISS. NAMITA"

This is about a special person, a celebrity who came as the Chief Guest of Nambikkai Swarangal 2012, this is about Actress Namita.

We all know Miss. Namita as an artist, as a reality show Judge. But after inviting her to Namikkai Swarangal 2012 we came to understand many a thing about Miss. Namita as a person.

Few know that Miss. Namita is a social worker. She takes care of AIDS and cancer patients in Tamil Nadu. She does a lot of charity work towards the good cause of helping children affected with HIV.

She agreed to be the Chief Guest without taking any money for appearing in front of such a huge Audience. When she landed here we took her to the hotel accommodation where UTS had booked two separate rooms for Miss. Namita Vankawala Mukeshkumar and Mr. Navil Vankawala Mukeshkumar (her brother).

But Ms. Namita refused to use two rooms. She asked us to book them a single room so that the money that is spent on one extra room can be given to charity. They stayed here for 3 days and insisted on using their own phone and own transportation or cab. They did not disturb us for meals. They asked us to take care of the disabled artists instead of fussing over them.

Very few celebrity social workers do charity without publicity. We wanted everyone to know about Ms. Namitas Marupakkam (the other side of Namita) and we ourselves came to know a lot more than what we already know about her.

We wish that she inspires more and more of her fans for such good causes.

UTS would like to thank Miss. Namita Vankawala Mukeshkumar to have honored us as the Chief Guest of Namibikkai Swarangal 2012.
